

DATA FROM STATE BODIES

Below is the preliminary list of data required for the national report from state authorities. If some of these data are not publicly available, please include them in the request for information.

Feel free to add any additional data you need to have for the national report, the types of data listed below are the minimal standards required for the report.

1. **How many hate crimes were officially registered by the police/prosecutors office in 2014, 2015, 2016***
 - If it's possible, quantify hate crime data by the Criminal code articles (this would help to identify different types of hate crimes are the most prevalent)
2. **What was the bias motivation of these crimes? (race, ethnicity, religion, nationality, sexual orientation... - state grounds according to your Criminal code)**
3. **How many hate speech cases were officially registered by the police/prosecutors office/courts in 2014, 2015, 2016***
 - If it's possible, quantify hate crime data by the Criminal code articles (this would help to identify different types of hate crimes are the most prevalent)
4. **What is the number of accused persons for hate crimes and hate speech cases (number of perpetrators) - this data should come from the prosecutor's office**
 - a. If it's possible, quantify it by the article from your Criminal code -
5. **How many perpetrators of hate crime and hate speech were convicted during the reported period?**
 - If possible, quantify it by the Criminal code article
6. **How many acquittals were among the court judgements for hate crime and hate speech cases in 2014, 2015, 2016?**
 - a. If possible, quantify hate crime data by the Criminal code articles (this would help to identify different types of hate crimes are the most prevalent)
7. **How many "guilty verdicts" were among the court judgements for 2014, 2015, 2016?**
 - If it's possible, state what were the Criminal code articles.
8. **What type of penalties were awarded for hate crime and hate speech cases in 2014, 2015, 2016?**

- If possible, quantify each type of penalty which is possible to award (according to your criminal code)
